## Introduction to Milan Fashion Campus

The objective of courses at Milan Fashion Campus is to offer short, rich, and intensive student training in the professional world of fashion. From beginner-level students to advanced-level students, our campus is focused on **one on one training** service following each student's characteristics, skills, and goals. Students will develop specific skills depending on the course chosen. At the end of the period of some courses that provide portfolio learning, students will prepare materials for their own portfolios. Also, students will receive the Certificate of Study issued by the private school of Milan Fashion Campus after the completion of the course.

## How is the Total Course Fee calculated?

Total Course Fee = Enrollment Fee\* + Course Fee\*\* + Tax VAT 22 %

\* Enrollment fee: **€ 150**

\*\*There is a VISA support letter fee already included in the course fee when applicable.

Please read more about visa, refund, and cancellation policy on pages 11 & 12.

## Course Schedules

- Course may **start on any Monday** except for Italian holidays (See School Calendar on pages 13 & 14)
- Courses are scheduled 4 days a week from Monday to Thursday.
- Morning: 9:30 am – 12:30 pm - Afternoon: 1:45 pm – 4:45 pm

Full-Time: 6 hours a day, morning and afternoon

Part-Time: 3 hours a day, morning or afternoon

! To receive the final certificate, there must be no more than 15% absences and only medical certifications are accepted as a valid justification for absences.

! For courses equal to or longer than 3 months, attendance is only required for obligatory scheduled sessions. To receive the final certificate, students must complete and have at least 85% of the exercises reviewed. Students can study at the school during regular hours and receive assistance from teachers or tutors by appointment.

## Course Combination

It's possible to choose multiple courses and **compose your own program**.

1. Choose the courses that you would like to learn.
2. Choose the course durations.
3. Calculate the total durations and evaluate the date possibility using our School Calendar (pages 13 & 14), keeping in mind not to overlap the school's summer or winter closure.
4. Tick the box of all the chosen courses & their durations in one application Form.
5. Choose a Monday to start the course.
6. Fill-up the rest of the application form.

A set of multiple courses (course combination) will be counted as a unique program (one singular course).

Once the total payment is made, there will only be one invoice released. Therefore, the refund and cancellation policy will also follow this approach. You can read more about these policies on page 12.

It is also possible to extend or add courses while doing one course, which desire can be communicated directly to the teachers during the course. Any particular request related to course composition or durations can be asked on the Special Request section on page 10.
