Preparatory Fashion Program in World Fashion Capital

Angelo Russica Ex Assistant Designer of Gianni Versace, Responsible of Milan Fashion Campus Announce Their New Preparatory Fashion Program.

Summary: Preparatory courses are created for students without prior knowledge or experience in the field. They aim to let participants understand the fashion styling and design lessons right from the beginning with theoretical part and workshops. It's the perfect way to improve fashion skills with students from all over the world and start your adventure into the fashion world. Courses are open all year round, and enrolment is each Monday.

Milan Fashion Design Academy by Milan Fashion Campus and Angelo Russica are pleased to announce that enrolment is open for their latest Preparatory Fashion Program. The program is divided in three sections, each one aims to give students different knowledge and skills in order to create a completed final result useful to start a career into the fashion field.

The first part is about Trend Forecasting and Fashion Styling. It is a sort of introduction to the fashion world, analysing the development of styles and trends, The Fashion Styling course includes the study of different body and face shapes, plus personal colors in order to enhance best physical characteristics according the situation, lifestyle and personality. With the Trend Forecasting course it will be defined the connection between new upcoming trends, customers, culture and lifestyle through a trend analysis.

The second section is about design, free hand and with computer specific programs to allow students to translate their creative ideas into a visual representation with illustrations and drawings. During this part students will be also focused on a special project for a defined brand, using real fabrics, to create a collection that will be included in their own portfolio.

To provide a complete program, the last part will be dedicated to the creation of an online Portfolio. It is one of the main important tool for everybody who wants to work in fashion, to collect – and manage - all the documents. It is necessary to understand how to use and communicate with media to reach a huge range of contacts and let you know.

The courses have gained such a reputation they attract students from all over the world who want to study in the fashion capital of the world. The courses by Milan Fashion Campus give an opportunity for designers to study in Milan, Italy and be taught by experts in their field.

The fashion courses, which have become one of the most recommended fashion courses in the world, give people the opportunity to study in one of the major fashion centres in Italy under the guidance of designer Angelo Russica. The courses are accessible throughout the year, and enrolment occurs each Monday. Upon completion of the course, students can add the Certificate of Study from Milan Fashion Campus to their resume.
